**KINSHIP
SENIOR CENTER**

Fall is here and we couldn't be more excited for the cool weather and new faces at Kinship! We had several new members join our community in October, filling our coffee parlor with spirited exchange of stories among our members. Speaking of stories, we added new memories this month, taking field trips to Praise on the Bayou and Music at Midday at Tulane. In November, our Golden Heart Players Drama Club will begin their fall performances and we'll host our first Gratitude Breakfast on November 17th. We couldn't be more optimistic about how 2023 is finishing up!

Kinship will be using Givebutter as our newsletter & donation platform.
Starting in September, email subscribers will now receive Kinship newsletters + updates from a Givebutter.com email address.
